STINGERS OVERCOME 3 GOAL DEFICIT - BEAT NATIONAL CHAMPS

Concordia's men's hockey team took a page out of Ripley's Believe It or Not this weekend. Down 4-1 in the second period to last year's national champions, U.Q.T.R., the Stingers engineered a stunning comeback. Concordia reeled off four unanswered goals in five minutes to steal a victory from les Patriotes. The winning goal was scored at 17:15 of the second period by Richard Laplante on a perfect feed from Andre Chartrain.

"We fell behind because some players are still not confident in their abilities," said Coach Paul Arsenault. "But when we are behind, players like Mark Mahon, Paul Brophy, Laplante, Andre Chartrain and Dave Sharpe are making big plays this year."

Todd Adams scored the equalizer on a shot from just over the redline that handcuffed All-Canadian goaltender Claude Guerard. Adams also scored in the first period. Paul Brophy and rookie Blake Hambleton had the Stingers' other goals in the five minute span. Dave Sharpe held the fort for Concordia in the third period as the Stingers allowed six shots on goal.

Andre Chartrain had three assists on the night and was named Q.U.A.A. Athlete of the Week for his great performance. Look for Chartrain to be a major force in Concordia's remaining games.

The Stingers improved their regular season record to 6-1-2. They are tied for first place in the Q.U.A.A. East with U.Q.T.R. These same two teams will meet this Saturday at Concordia. GAME TIME IS 3:30 p.m.

Concordia has a Friday match-up against Union College. This game is the annual Christmas Basket Drive Benefit game. Union College is a N.C.A.A. Division II team from Troy, N.Y.

CONCORDIA LOSES FIRST GAME IN TWO YEARS

The Stingers women's hockey team lost their first regular season game in two years this weekend. Laval beat Concordia convincingly to overtake the Stingers for first place overall in the Q.W.I.H.L.

The final score was 5-0 as Laval outshot Concordia 29-18.

"Laval played a very good game," said Assistant Coach Julie Healy. "We had an average hockey game and could not get enough good offensive chances."

CONCORDIA'S NEXT ACTION IS AFTER CHRISTMAS.
